Defendants.

Case No. 18-cv-05931-JCS

**ORDER DENYING MOTION TO  
STRIKE**

Re: Dkt. No. 150

12  
13 Defendant Timberly Hughes, pro se, moves to strike Exhibit 44 from Plaintiff the United  
14 States' trial exhibit list. That motion is DENIED. First, a motion to strike is not an appropriate  
15 mechanism to object to an exhibit's admissibility. Second, Hughes previously stipulated to admit  
16 this exhibit into evidence. *See* Civil Minute Order (dkt. 147) (noting the parties' stipulation to  
17 admit all exhibits except Exhibits 47 through 57). Third, even if considered, none of the  
18 objections that Hughes now raises would warrant excluding Exhibit 44.

19 While Hughes remains free to argue at trial or in post-trial briefing that Exhibit 44 is not  
20 relevant, that exhibit is and remains admitted into evidence.

21 **IT IS SO ORDERED.**
